

ACKNOWLEDGEMENT

The knowledge & satisfaction that accompany the successful completion of any task would be incomplete without mention of people who made it possible, whose guidance and encouragement crowned my effort with success. We would like to thank all and acknowledge the help we have received to carry out this final year project.

We would like to convey my sincere thanks to my college the Bangalore Institute of Technology, **Dr. Aswath M U** Principal and **Dr. Asha T**, Professor and Head of the Department for Computer Science and Engineering, for being kind enough to provide an opportunity and platform to complete and present my final year project “Detection of Pipe Corrosion”.

We would also like to extend our thanks to our project coordinator **Prof. D R Nagamani** and **Prof. Shruthiba A**, Assistant Professor, Department of Computer Science and Engineering for her support and guidance.

We are most humbled to mention the enthusiastic influence provided during the development and ideation phase by my guide **Dr. Gunavathi H S**, Assistant Professor, Department of Computer Science and Engineering for her ideas, time to time suggestions and co-operation showed during the venture and helping make my final year project a success.

We would also take this opportunity to thank my friends and family for their constant support and help. I'm very much pleased to express my sincere gratitude to the friendly co-operation showed by all the staff members of Computer Science Department, BIT.
